

## Writing Assignment 2: Argument

---

In Writing Assignment 2, I expect you to choose one side of an arguable issue. Once you chose a side, I want you to support your claim with evidence. Your paper should:

- Have a clear thesis that tells me what the argument is and which side you support.
- Have clear topic sentences for each paragraph that provide evidence for your argument.
- Have an appropriate introduction and conclusion.
- Be at least 3-4 pages long and be typed on a computer and double spaced

Parts of the paper will be due on different days:

- DUE WEDNESDAY: Your topic idea and your first draft of your thesis statement.
- DUE THURSDAY: Your first outline of your paper.
- DUE FRIDAY: Your first full draft of your paper (3-4 pages)
- DUE TUESDAY: Your final draft of your paper.
