Class Expectations: Please try your best to use English as much as possible during class time. Use Korean only when you have failed to explain yourself several times in English. Try to participate as much as possible. Don't be afraid to make mistakes. And, of course, have fun!

News Topics: On "News Topics" days, students should go online and find a newspaper article that is interesting to them to bring to class and discuss with other students. Students can find newspaper articles at various websites including:

- nytimes.com
- guardian.co.uk
- english.chosun.com
- wsj.com
- koreaherald.co.kr
- koreatimes.co.kr

Free Topics: On "Free Topics" days, we choose a new topic on that day to discuss and debate as a class. The topics can be pulled from the news or any other thing that's on your mind that day.
