Class Expectations: Please try your best to use English as much as possible during class time. Use Korean only when you have failed to explain yourself several times in English. Try to participate as much as possible. Don't be afraid to make mistakes. And, of course, have fun!

News Topics: On "News Topics" days, students should go online and find a newspaper article that is interesting to them to bring to class and discuss with other students.

Students can find newspaper articles at various websites including:

- nytimes.com
- guardian.co.uk
- english.chosun.com
- wsj.com
- koreaherald.co.kr
- koreatimes.co.kr

Student Topics: On "Student Topics" days, we will choose a topic as a class that everyone is interested in. Then, students can email me questions about the topic that they want to discuss, and I'll put them all onto one paper for everyone to read from.
