### Facilitation Project

#### Description

As part of the Facilitation Project, you will complete the following:

- Choose a date on the schedule that has a subject interesting to you. The date you choose must be approved by Ryan in advance.
- Read 2-3 additional readings for that day to get a greater context of the subject. These can be found with Ryan's help.
- Come to class with discussion questions you have written and read the discussion posts from your fellow students in advance. Help to manage the class discussion.
